

Welcome Guide

Maison Déthune Experience

Welcome to our guest house in Villers-Marmery, in the heart of the Champagne countryside.

We envisioned this place as a true haven, where the charm of a traditional French country house blends seamlessly with comfort and conviviality. Passionate about hospitality and sharing, we are eager to introduce you to the gentle pace of life in our region: its landscapes, its heritage, its traditions... and of course, its art of living.

Whether you are here to relax, explore the surrounding area, or simply enjoy a timeless moment, we hope you will feel right at home.

Tastefully decorated and furnished, our guest house offers all the comforts of home. A large, welcoming living room with French doors opening onto the garden awaits you. You will also find a spacious kitchen with a complimentary hot drinks machine, two bedrooms, and a family suite with a home cinema. It's the perfect place to unwind after a busy day exploring the vineyards. Please don't hesitate to contact us if you need anything at all!

Meet your host

After eight years in the luxury hospitality industry around the world, from America to Asia and Africa, I returned to my home region to develop the family business and our passion: celebrating champagne and the Champagne region.

I love meeting people from all over the world, and I look forward to meeting you. I will do my best to make your stay as enjoyable as possible!

Thank you so much for choosing us, and we hope to see you again soon!

The perks: I'm passionate about travel adventures. I've climbed Mount Fuji in Japan, surfed in Hawaii, walked barefoot at the Taj Mahal in India, swum in the bluest waters of Greece, and even become a cowgirl in Wyoming, USA. I love telling these stories and I'm always looking for inspiration! Now it's your turn to tell me your story!
